

YOUR 2020 MEDICARE ANNUAL REVIEW ROAD MAP

Medicare Supplement And Standalone Drug Plans

START HERE

You are receiving this letter because you are on a Medicare Supplement Plan and have a Standalone Drug Plan. You can make plan changes from October 15th-December 7th.

WHAT WILL CHANGE IN 2020?

1. Your Medicare Supplement is not part of the open enrollment period. Every year Medicare makes a few changes but your Medicare Supplement follows the changes Medicare makes so you never have to make changes to your Medicare supplement plan.
2. Drug plans change every year so they are not the same and need to be reviewed. What changes?
 - Premiums change
 - Drugs they cover change
 - Co-pays for drugs change—drugs that were Tier 2 may now be Tier 3 or 4.”

WHO WILL REVIEW MY DRUG PLAN?

My associate Dan Downs will be doing the drug plan reviews. He is affiliated with The Canadian Medstore. You do not have to purchase drugs from Canada but we will let you know if a drug may be cheaper than what is offered on the plan. Betsy will only evaluate the Medicare Advantage Plans.

OTHER CHOICES TO EVALUATE YOUR DRUG PLAN:

1. Call Medicare directly (800) 633-4227 and give them your list of medications they can find the best drug plan for you. AEP is a busy time so calling very late in the evening or very early in the AM is best they are open 24 hours a day. They can also enroll you.
2. Calling Florida Shine at 1-800-963-5337, if you are located in Florida. Their volunteers will look up your drugs and give you a recommendation.
